

GeriActive + CARD: Better Together!

Dementia expertise + operational tools to bring Montessori to life every day.

CARD provides the evidence-based training, coaching, and credentialing framework. GeriActive provides the ready-to-use platform and materials that help organizations operationalize Montessori consistently across communities.

Why CARD?

- ✓ Dementia expertise rooted in decades of applied translational research
- ✓ Evidence-based Montessori-Inspired Lifestyle® training
- ✓ Ongoing coaching, deep dives, and skill development
- ✓ Credentialing pathway with Bronze, Silver, and Gold milestones

Why GeriActive?

- ✓ Ready-to-use calendars, curriculum guides, and printable materials
- ✓ Resident-led, skills-based programming adapted for different ability levels
- ✓ Operations-friendly, gap-free, and turnover-proof implementation support
- ✓ Helps organizations operationalize Montessori across teams and sites

— From philosophy to daily practice. —

Build staff confidence

Increase meaningful engagement

Create sustainable consistency
